

# SAFEWORX CIRCULAR SOLUTIONS

## YOUR SUSTAINABILITY GOALS MADE EASIER WITH READY-MADE RECYCLING SOLUTIONS

At Safeworx, we know that meeting sustainability targets isn't just about good intentions - it's about having practical, proven pathways to make it happen. That's why we've built strong partnerships with leading recycling specialists, so our account customers can tap into ready-to-go programmes that turn your PPE and workwear waste into new resources.

### THE RESULT?

Faster progress towards your environmental goals, credible data reporting, and the confidence that your organisation is supported by experienced industry providers.

### THE CIRCULAR ADVANTAGE WITH SAFEWORX

- ▶ We've done the groundwork. We've already vetted and secured trusted recycling partners who know how best to achieve your sustainability targets.
- ▶ It's simple to get started. You have access to four proven programmes through your existing Safeworx account.
- ▶ See visible impacts with emissions reports, landfill diversion tracking, and statements you can showcase in your audits, tenders, and sustainability reports.
- ▶ Future-proof your business – align with growing customer, industry, and regulatory expectations without adding internal admin or resource strain.
